---

Career Objective

To obtain a challenging web developer position in a dynamic and innovative organization where I can utilize my technical and creative skills to develop and maintain responsive, user-friendly, and visually appealing websites.

Work Experience

FOCUS EDUMATICS PRIVATE LIMITED

Online Tutor | October 2022 – July 2023

- Developed and managed online learning tools and resources to provide students with an effective learning environment.
- Utilized a variety of teaching methods to ensure students of all learning styles were successful.
- Collaborated with colleagues to develop innovative teaching strategies

Education

V.O. CHIDAMBARAM COLLEGE

Tuticorin | BS in Mathematics

Earned a 9.2 GPA and completed relevant coursework in C, Libre Office Automation including Word, Excel, and PowerPoint.

Skill Sets

Front-End Development:

- Dynamic Front-End Developer with a proven track record in creating visually stunning and user-friendly websites. Proficient in **HTML**, **CSS**, and **JavaScript**, in responsive design and cross-browser compatibility. Adept at modern front-end frameworks, and libraries, such as **Bootstrap** and **Tailwind CSS**, to streamline the development process. Versed in version control through **Git** and **GitHub.**

Back-End Development:

- Experienced in working with the framework **Django**, leveraging the power of Django for rapid development and maintainability. Adept at database design, optimization, and management using technologies like **MySQL** and **MongoDB**.Collaborative team player with strong problem-solving abilities and a commitment to delivering high-performance backend solutions.

Python Development:

- As a seasoned **Python Developer**, I bring proficiency in the Python programming language, showcasing a deep understanding of its syntax, libraries, and frameworks. My expertise extends to web development, having successfully built dynamic applications using frameworks such as **Django.**

Projects

E-commerce Website named as **ACWID**

- Led the front-end development efforts for the **ACWID** E-Commerce Platform, a dynamic online marketplace catering to a diverse range of products. Collaborated closely with cross-functional teams to deliver a visually appealing and user-centric e-commerce experience.

Communication

Excellent communication skills enable me to collaborate with clients, stakeholders, and cross-functional teams to deliver high-quality results.

Leadership

Mentoring junior developers, and interns on coordinating project tasks, and implementing best practices to ensure the timely delivery of high-quality web applications.
